Empath Volunteers Are...

Courageously Impactful

Each purchase our Resale Shop volunteers ring up, donations they receive, or merchandise they stock the floor with supports the mission of Empath Health.

Our volunteers receive flexible scheduling options (seasonal residents and students are encouraged to join), special discounts, free training and the opportunity to meet and volunteer with new friends.

Our volunteers are courageously impactful with their time, talents and dedication to our mission of full life care for all. Stop in at any location and speak to a manager for more.
